Care, Share, Serve

Presbyterian Homes of Georgia continues to serve our senior residents and their families. PHGA cares for some of the most vulnerable among us by providing excellent care, even if resident(s) have outlived their financial means. In 74 years of ministry, *not one resident has ever been asked to leave Presbyterian Homes' care because they have outlived their financial resources.*"

With your help this year, that promise will continue. A gift to the *Caring Hands Fund* is life-changing for God's seniors at Presbyterian Homes of Georgia. Your gift may serve a meal or pay for a dental visit, provide hearing aids or foot care, or may fund a ride to a doctor's appointment. It may even help a frail resident remain in skilled nursing for the most excellent care.

Each year, approximately \$3 million is needed to provide the support needed for our more than 1,300 residents who call Presbyterian Homes of Georgia, home. These residents have served their communities and saved for their future care, but their own longevity, the high cost of medicine and increasing costs of care, have depleted their finances.

Please help by making a life-changing difference! Members from over 200 congregations, just like ours, contribute to this important cause. As *Matthew 25-40* reminds us: "*In as much as you did for one of the least of these, you did for me.*"
